STATE BOARD OF MEDICAL EXAMINERS
DOCKET NO.

IN THE MATTER OF THE	:

	:	
NEIL ADELMAN, M.D.	:	CONSENT ORDER
	:	
TO PRACTICE MEDICINE	:	
AND SURGERY IN THE STATE	:	
OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Medical Examiners based upon complaints of four patients, P.F., D.I., N.M., and B.F. Each complainant had seen respondent for treatment of Lyme disease. Based upon Enforcement Bureau investigative reports, respondent was invited to appear before a Preliminary Evaluation Committee of the Board of Medical Examiners in February 1996. Respondent advised the Board that he was no longer a resident of the State of New Jersey. Respondent advised that he would not be returning to the practice of medicine in the State of New Jersey since he had relocated his practice and domicile to a remote area in the State of Texas. Respondent stated that it was not financially feasible for him to return to the State of New Jersey for the sole purpose of appearing before the Board.

The Board having determined the within Order is adequately protective of the public health, safety and welfare;

IT IS, THEREFORE, on this 21 day of August, 1996,

ORDERED:

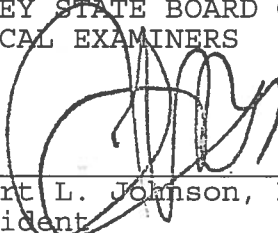

1. Respondent Neil Adelman, M.D., shall refrain from the practice of medicine and surgery in the State of New Jersey until such time as those matters presently pending before the Board have been resolved to the satisfaction of the Board of Medical Examiners.

2. Respondent shall immediately upon his return to the State of New Jersey advise the Board of his presence within the State of New Jersey and of any intent that he has to return to the practice of medicine and surgery.

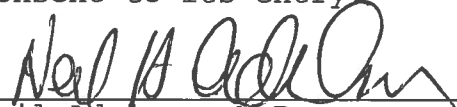

3. Respondent acknowledges the Board's authority and obligation to pursue the investigation of his medical treatment of patients P.F., D.I., N.M. and B.F., and any and all other patients who may have come to the attention of the Board of Medical Examiners in the period between the Board's initial contact with Dr. Adelman and the date of his last day of practice in the State of New Jersey.
